FAQs

Remove the target fund size row

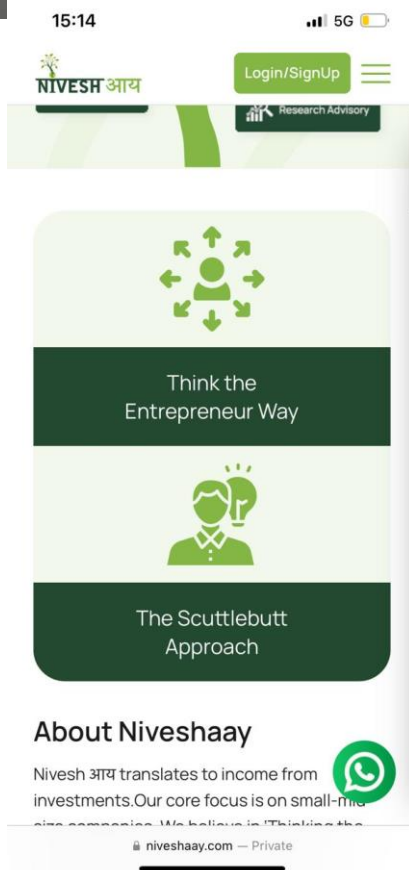

Pls add the FAQs section... shows nothing after it

MOBILE VIEW

Remove the featured on from mobile view
(not from desktop view)

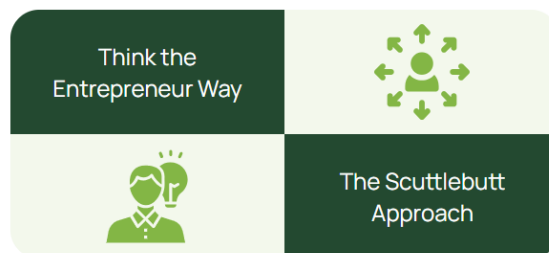

This image is not clearly visible, also make it
clickable same as asked for desktop view

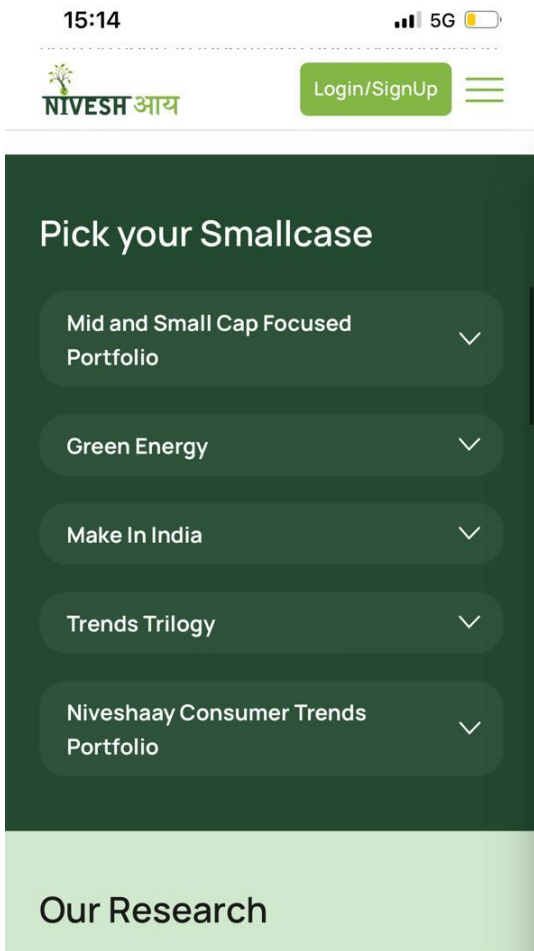

Post the tree pls keep About Us and data.... Make
sure one line is left as asked for desktop view

>> About Us and not About Niveshaay

Then keep the single photo of scuttlebutt and
entrepreneur way like this... currently two tabs are
showing which is not looking good

Add the respective smallcase logo for mobile view as well.. also use the logo which was earlier provided ... respective small case fund logo

Change “supply side analysis” to “value chain analysis”. This was communicated last time still not done

Reports of Avantel, Textiles (Gokaldas) HBL, Boro Renewables ----- > in this particular order. This page and on the research advisory page also
